

ICIS QUESTIONNAIRE TO DEPARTMENTS AND AGENCIES REGARDING INTERNAL SECURITY
PROGRAMS FALLING WITHIN THE PROVISIONS OF THIS COMMITTEE'S RESPONSIBILITIES.

1. What programs which have a direct affect on the internal security of the United States does your Department or Agency administer?
2. What is the authority under which these programs are carried out, i.e., statute, executive order, ICIS recommendation, or agency directive?
3. Does your Department or Agency have exclusive responsibility for conducting these internal security programs or is the responsibility jointly shared with other departments and agencies? If the latter, please identify the other departments and agencies, and state the extent of their participation.
4. What other departments and agencies are affected by or cooperate in the programs which your agency administers?
5. Briefly explain the purpose of each program and advise whether, in your opinion, the program accomplishes this purpose.
6. Does your Department or Agency have any recommendations for changes in the internal security programs that it conducts? Please explain.
7. Has your Department or Agency encountered any problems in carrying out these programs? Briefly explain what these problems may be.
8. Does your Department or Agency consider the programs adequate in the light of current world conditions?
9. Does your Department or Agency have any suggestions for new internal security programs, which would enhance the over-all internal security of the government?
10. Please give any comments, observations, etc., general or specific, which you wish the ICIS to consider in the survey of our internal security programs.
